Finnish Lapphund Club of Canada

Code of Ethics

In order to achieve the goals and objectives of the Finnish Lapphund Club of Canada, its members agree to adhere to the following principles:

- * All members of the FLCC will comply with the by-laws, rules and regulations established by the Board of Directors of the FLCC and the Canadian Kennel Club
- * All members of the FLCC will provide their dogs with appropriate housing, food and health care
- * All members of the FLCC will strive to enhance the role of the purebred dog in society as an essential member of its communities where it functions as a companion, a guardian, a healer, a hunter, a herder, a teacher and, above all, "man's best friend"
- * FLCC supports and encourages participation in shows, trials and other events. All members, whether they be exhibitors, handlers, judges or assistants will participate in such activities with honesty, fairness and integrity, ever mindful of the practice of "good sportsmanship"
- * All members as owners/breeders of purebred Finnish Lapphunds, will include in their programs, only Canadian Kennel Club registered (or registerable) stock which will strengthen the genetic pool and, thus, guarantee further progression toward the ideals of the standard, keeping authentic records of their activities
- * All members of the FLCC undertake the task of educating and encouraging all newcomers to the world of purebred dogs no matter their interest: pet owner, exhibitor, trialer or breeder.

I agree to the above
