

# FLCC ROMC AWARDS

The Finnish Lapphund Club of Canada is excited to recognize Finnish Lapphunds who have achieved the following:

- Register of Merit Canada (ROMC)
- Register of Merit Canada Excellence (ROMCX)
- Register of Merit Canada Excellence - International (ROMCX-I)
- Register of Merit Canada - Performance (ROMC-P)
- Register of Merit Canada Excellence - Performance (ROMCX-P)

## Eligibility

- To be eligible for awards, owners must be full members of the FLCC, and dogs will need to meet the specific criteria for ROMC titles. In co-ownership situations, the owner is considered the person where the dog primarily resides. **Note that these awards shall be retroactive back to January 1, 2009 when the FLCC became a CKC affiliated club.**
- Dogs which have met these qualifications will automatically be assigned ROMC titles by the FLCC. This title may be added to the dog's name. *(Please note: This is not a title officially recognized by CKC and should not be submitted as part of the dog's name on CKC documents such as show entry forms and litter applications.)*
- Eligible titles and disciplines are included on the "Appendix A" at the end of this document

## Certificates

- ROMC Certificates are given out at the FLCC National and are based on the previous calendar year. Recognitions will also be included in our annual "Yearbook" that is available at the National. If you are not attending the National, you can still purchase the Yearbook as a personal keepsake.
- One original certificate will be provided to the owner. There is no cost for this; however, additional certificates can be provided at a cost of \$10.00 each. Please provide names and mailing addresses.

## Application Deadline

- All applications must be made on the approved Awards Application form available from the FLCC website or from the club statistician.
- When applying for awards, please send all required documents to the FLCC Statistician. This includes the related documents found on the FLCC website.
