

## FLCC VERSATILITY AWARDS

The Finnish Lapphund Club of Canada is excited to award Finnish Lapphunds who have demonstrated versatility in conformation and/or performance.

The FLCC Versatility Program will follow similar requirements as the CKC Versatility Program, however the Board of Directors has decided to include performance titles from other (predominantly Canadian) dog sport organizations.

The FLCC will award the following Versatility Titles

- Versatility Novice (FLVN)
- Versatility Advanced (FLVA)
- Versatility Excellent (FLVE)
- Versatility Bronze (FLVB)
- Versatility Silver (FLVS)
- Versatility Gold (FLVG)

### Eligibility

- To be eligible for awards, owners must be full members of the FLCC, and dogs will need to meet the specific criteria for each versatility title. In co-ownership situations, the owner is considered the person where the dog primarily resides. **Note that these awards shall be retroactive back to January 1, 2009 when the FLCC became a CKC affiliated club.**
- Eligible titles and disciplines are included on the “Appendix A” at the end of this document

### Certificates

- Versatility Certificates are given out at the FLCC National and are based on the previous calendar year. Recognitions will also be included in our annual “Yearbook” that is available at the National. If you are not attending the National, you can still purchase the Yearbook as a personal keepsake.
- One original certificate will be provided to the owner. There is no cost for this; however, additional certificates can be provided at a cost of \$10.00 each. Please provide names and mailing addresses.

### Application Deadline

- All applications must be made on the approved Awards Application form available from the FLCC website or from the club statistician.
- When applying for awards, please send all required documents to the FLCC Statistician. This includes the related documents found on the FLCC website.
- Awards must be applied for by March 1st of the current year.

### Application Process:

1. Fill out the Application Form on page 2 and 3.
2. Send the Application Form to the FLCC Statistician
